- Business
- Law
- Health
- Physics
- Chemistry
- Mathematics
- Humanities
- Natural Resources
- Environmental Sciences
- Information and Communications Technology
- Engineering Production Technology

TRAINEESHIP INFORMATION

Activities

Support to officers at the UJA International Projects Office. This administrative unit is in charge of the submission of international research projects within the framework of the European Commission programs as described at <http://ec.europa.eu/research/participants/portal/desktop/en/home.html>

Duration

2-12 months

Workload

25 hours/week (9.00 – 14.00 Monday to Friday)

Financial support

Applicants wishing to apply for this position may receive from their home institution an Erasmus+ grant as a contribution to their travel and subsistence costs

Location

Jaén (Spain) - <http://www.iaenparaisointerior.es/>

APPLICATION

Language proficiency

English (C1) and Spanish (B2)

Computer skills

Basic - Intermediate

Application

Europass CV & motivation letter in Spanish to ofipi@ujaen.es through the home university international relations officer (Applications sent directly by the candidate will not be considered)

Selection criteria

Preference will be given to recent graduates, master and doctoral applicants. Applications from undergraduate students are also welcome

Requirements

Selected candidates must sign a Learning Agreement - Student Mobility for Traineeships (<http://bit.ly/2fWTiMn>) before the traineeship starting date and be fully insured (accident insurance + liability insurance). The accident insurance should also cover accidents during travels made for work purposes and accidents on the way to work and back from work.
